*Taking the Gospel of Jesus Christ to the World - through the Island of Cebu, Philippines*

March 30, 2013

Dear Fellow Laborers,

Greetings from the Philippines in the name of our Lord and Savior, Jesus Christ! We are so happy to be able to report all that God has been doing over the last several months here in Carcar City, Cebu.

We just finished a four day family conference with Evangelist Randy Chovan. Evangelist Chovan has a unique ministry in that he travels for six months in America and then six months to all parts of the world. We met two years ago in a church in Dumaguette and we immediately scheduled him to be in our church. God really moved in the lives of our members and I believe many families were helped with a strong, Biblical foundation for rearing their families. The point was emphasized throughout the week that strong families build strong churches, and strong churches build strong nations. It was also a great encouragement to us personally to be able to spend so much time with this Man of God.

Last week marked the beginning of the "summer vacation" season here. Schools let out in March and resume in June, so we will be especially busy over the next several weeks. This week we will have Vacation Bible Time. It is a great blessing to have our assistant pastor, Pastor Daniel, planning the whole event and our young people doing the work for it. That is the job of a missionary - to work himself out of a job! After VBT we have two weeks of camp, one week we will just be attending, the next week we will be assisting Pastor Travis Lewis and North Cebu Baptist Church in putting on a camp. After that is a deaf camp in Dumaguette for Gina and some of the Bible College students to learn and develop their skills in sign language. Then the next week we leave for the US!

We will be taking a short furlough from May 1 - October 31. We will be spending time visiting with family, reporting to our supporting churches and trying to raise some new support. We have been so busy in the work here preparing for summer activities, teaching Bible College classes, and our Family Conference, we just have not had much time to start contacting churches in the US to set up schedules. Please pray with us that the Lord would fill our schedule while we are back to allow us to get to the churches that He wants us to be in.

A blessing in announcing our departure to our church here is the way people have stepped up to help in the work. One man surrendered to lead the singing. Hazel, one of our faithful teens who just graduated from High School, learned to play the piano from the hymn book in just over one month! The choir has been working hard in recording all the music they need to be able to continue while we are gone. We always have tried to not make the church dependent upon us, and this will be a great test for the church. I believe God will see them through. Please pray for Pastor Daniel as he will have a lot on him, and Chris also who has really matured and is a great help in the ministry. We know that Satan will use this time to try to attack the church and we would appreciate your prayers in this area.

Thank you for your support in prayer and financially. We are able to see the Lord do so much because of faithful people like you.

For the Faith,  
Aaron, Gina, Nathan and Gwen Fuchs
