Taking the Gospel of Jesus Christ to the World - through the Island of Cebu, Philippines

December 30, 2014

Dear Fellow Laborers,

We hope and pray that you had a happy and safe Christmas! Holidays are a difficult time to be away from home and loved ones and we appreciate your prayers during these times especially.

Back in June we were talking to my parents through Skype. They told us that our home church would be going to Israel on a trip in the first week of December. They asked us if we would like to go. Of course we would, but we could never afford it. They told us that they would be willing to pay for it if we wanted to go! WOW! So our first two weeks of December were spent in the Holy Land, learning about, and touring the places where Jesus walked! It was a great blessing and an exciting time. Thanks to my Godly parents who made it possible.

My sister also went with her two sons. It was a lot of fun spending time with them. Nathan and Cookie especially enjoyed spending an entire two weeks with their cousins. There are many things we miss about America, but without a doubt what we miss most is time spent with our family.

Chris De La Torre and another young man, Raffy Ratunil both handled the preaching and teaching while we were gone. They did a great job and we are so thankful to God for providing us with young men who are dedicated to Him. Bro. Raffy was saved under our ministry just a few years ago and has grown tremendously. He has a heart for the work of the Lord. Chris is still studying in Bible college and preparing for the ministry. We were also blessed to learn that our members stayed faithful during our absence.

When we got back from Israel we had a few days to recover and then we went to camp. One of the benefits of hot weather over the Christmas break is we are not stuck inside from the cold. Pastor Johnny Lim and his church, Mountain Heights Bible Baptist Temple, sponsor a camp every December during Christmas break. This year I was privileged to preach for two nights of the camp on the theme "work while it is day". Many young people made decisions for the Lord and we are thankful to Pastor Johnny and his church for putting on the camp every year.

Now we look forward to the new year. We are so thankful for all the Lord has done in 2014, for souls saved, for lives changed, for those who remain faithful. But we also know that He is not finished working yet and that the best times lie just ahead. We are very excited to see what God will do in 2015. Please pray with us that we would see more souls saved and added to His Kingdom.
