

The Fuchs Family

Taking the Gospel of Jesus Christ to the World - through the Island of Cebu, Philippines

September 29, 2014

Dear Fellow Laborer,

“Faithful is he that calleth you, who also will do it.” 1 Thessalonians 5:24. How we have discovered the truth of that verse over the years! Open Door Baptist Church, Carcar just celebrated our 5th anniversary! On August 24th and 25th we had special services to celebrate. It was a great blessing as many brought visitors and we were able to see seven people saved during our services! To God be the glory! We also had many people who had faithfully attended services in the past, but have not been in services for one reason or another recently. It was a blessing to reunite with them. On Monday we invited local pastors who we are friends with. There were a total of 27 pastors who came and celebrated with us. Our attendance was over 200! It was a great blessing and a great way to look forward to what the Lord will do in the next five years.

As I stood at the pulpit on our anniversary and looked at the people in attendance I realized how blessed we truly are. It is such a privilege to be able to minister to people and to see how God can change a life. How He can take a family that is broken and put it back together. How He can have children come who have no Christian witness in the home and get the love from our church family that they should have. It is all what He has done. “Faithful is he that calleth you, **who will also do it**”. How I wish I could take credit for the success of the last five years, but all of the praise belongs to Him. I am just thankful that He allows us to have our small part and see His mighty hand at work. We are also thankful for each of you that support us financially and allow us to stay here on the field doing what God has called us to do.

Just before the anniversary services the devil showed his ugly head. Gina was taking a family home on a Thursday evening and on the way home had an accident. She hit a horse - yes a HORSE! For some reason the rider of the horse thought it would be a good idea to ride the horse down the middle of the road in the dark. Of course horses do not have tail lights or reflectors and Gina was blinded by an oncoming bus that left its high beams on. All of these things combined and she simply did not see the horse and hit it. Gina and the rider of the horse were OK, the horse did not make it. Our car was heavily damaged as the horse fell on the hood, breaking the windshield, and denting the hood and roof of the car. Please pray that we would get the funds needed to repair our car. We have already replaced the windshield but the roof remains damaged. The rust spots that were cover up now have holes and the rain gets in and now there is mold in the car. We really need to get it fixed as we use the car heavily for the ministry. We are so thankful to the Lord for His protection in keeping Gina safe. The young man who was riding the horse was taken to the doctor just to be checked and while he was there one of our young men was able to lead him to Christ! All things work together for good!

Please also keep Nathan and Cookie in prayer. They are very behind in their schooling and are working diligently to catch up. Also for the last several months every week someone in the house has had some type of illness. We simply want to be healthy to be able to do what God has called us to do. Again we thank you for your continued prayers and support of the ministry.

For the Faith
